

Idaho School for the Deaf and the Blind
Policies and Procedures
Section: 1200
Subsection: Student Supervision

Revised July 2005

Reference: Idaho Code 33-1612

Purpose: To establish consistent supervision of ISDB students.

Policy:

It is the responsibility of all teachers, administrators and classified staff members to follow policies set forth by Federal Directives, Idaho State Code, Idaho State Board Directives and ISDB's regulations designed to implement them, to follow proper procedure at all times.

Procedure:

To ensure the success of safe and secure school operations and instructional programs, the following specific responsibilities are assigned of all personnel:

- Concern and attention toward their personal, and the school's collective legal responsibility, for the safety and welfare of all students at all times, including the need to insure that students are being properly supervised.
- When the safety and welfare of a student/minor child, who is not under a staff member's direct supervision, is in jeopardy, any staff member present is responsible to provide immediate supervision.
- Students are to receive direct supervision during all school sponsored/related activities, i.e., school day, cottage-life program, extra-curricular activities, bus transportation, etc.

Exceptions to the above policy of providing direct supervision occurs during the following activities:

- Independent Living
- Work-Based Learning (WBL)
- Approved Open-Campus Activities
